We cordially invite you to the Therapeutic Endoscopy course for Endoscopy Nurse Assistants (RN) & Nurse Consultants (TECNA COURSE).

COURSE DESCRIPTION

This course provides a review of relevant practical aspects of therapeutic endoscopy, includes several practical demonstrations followed by "hands-on experience" with endoscopy accessories at several work stations. All delegates attending the course will be provided with a **"TECNA course manual"** dedicated for nurses working in endoscopy. Each course will accommodate only 50 delegates, hence early registration is recommended.

TARGET AUDIENCE

- Registered nurses (RN) & Health care assistants (HCA) working in endoscopy units
- Nurse endoscopists and any other personnel performing endoscopy
- Specialist nurses working in gastroenterology / gastrointestinal surgery

LEARNING OBJECTIVES

- To enhance **core knowledge** in therapeutic endoscopy
- Familiarize with the **various therapeutic procedures and accessories**
- Hands-on experience
- And finally to be **confident** in assisting the operator.

COURSE ACCREDITATION

This course is accredited by the Royal College of Nursing (RCN) "Accreditation unit"and has been awarded 7 study hours .

This meeting offers a unique opportunity for you to network, enhance your knowledge in therapeutic endoscopy and also provides hands-on experience with endoscopic accessories. To date more than **1000 Nurses** have attended the TECNA course

This programme has been accredited by the RCN Centre for Professional Accreditation and further accreditation is renewed on an annual basis. Accreditation applies only to the educational content of the programme and does not apply to any product.

For any further details regarding accreditation please contact the course organisers and your unit managers in advance.

I look forward to seeing you all at the course.

Yours sincerely,
