Dear colleagues,

On behalf of ESGENA and the Dutch Society of Endoscopy and GE Nurses and Assistants (V&VN Maag Darm Lever), we take great pleasure in inviting you to the 16th ESGENA Conference, which will be held during the 20th UEGW on 20–22 October 2012, in Amsterdam, the Netherlands.

During the official ESGENA programme we will offer you a pneumology package including a theoretical session and a hands-on workshop on flexible bronchoscopy with diagnostic and therapeutic procedures.

The ESGENA conference will cover a great variety of subjects which are also interesting for nurses working in pneumology.

This NEW format will encourage networking and communication between the delegates – between both individual nurses and national groups.

We hope to welcome you at the 16th ESGENA Conference in October 2012 in Amsterdam, the Netherlands.

Michael Ortmann
President of ESGENA
